

Anchor Islanders,

While we continue to work remotely to preserve the health and safety of our students, staff and faculty, I would like to remind everyone that we are following normal business hours. The Anchor staff are working Monday – Friday, 8 a.m. – 5 p.m. to serve our students. I stress this because we have received numerous emails over the weekend wanting to know why advisors have not replied immediately to student concerns. Please note that if you send an email to an advisor over the weekend, the advisor will not see the email until sometime Monday morning. It may not be 8 a.m. Monday morning. Sometimes I request a meeting with my advisors. Sometimes they have student appointments scheduled. They don't always get to check emails right away on Monday morning. But they will check emails and answer phone calls as quickly as they can. They are doing the best they can, to work as fast as they can, to provide you the answers and information you need. We know this is a difficult time for everyone and we appreciate your patience!

Dr. Rachel Kirk

Anchor Program Manager
