Food and Fun

February was all about food and fun for several of the Anchor programs. VIP started the month with a luncheon celebrating the first year of program. Students headed to Del Mar Campus for a fajita lunch with TAMU-CC President Dr. Quintanilla, TAMU-CC Provost Dr. Phillips, TAMU-CC University College Dean Dr. Jarrell, Del Mar President Dr. Escamilla, Del Mar Vice President of Student Affairs Dr. Silva and other campus leaders.

Island Harbor joined community mentors in a Saturday brunch, giving students and mentors a time to build relationships, relax and enjoy breakfast together. PSA students were invited to a pizza party on the TAMU-CC campus to celebrate those students who decided to remain as Islanders and continue their degrees with us.
